Axis M1011 Camera Bundle

AX-M1011-CAM

- Superior image quality using a progressive scan CMOS image sensor and advanced video processing.
- Supports 30 frames/second up to 640x480.
- Built-in motion detection and tamper alarm.
- Advanced alerting when motion sensor trips and snap shot photos sent with links to live video.
- Available in standard and/or wireless models.

INCLUDES: Axis M1011 Network Camera, mounting stand, built-in motion sensor, built-in tamper alarm, **Device ManageR** software license & installation note.

\$270

Axis M1031-W Camera Bundle

AX-M1031W-CAM

- Superior image quality using a progressive scan CMOS image sensor and advanced video processing.
- Supports 30 frames/second up to 640x480.
- Built-in microphone, speaker, motion and audio detection.
- Advanced alerting when sensors trip and snap shot photos sent with links to live video.
- Connects via Wireless IEEE802.11g and Ethernet.

INCLUDES: Axis M1031-W Network Camera, mounting stand, built-in microphone, speaker, motion and audio sensors, **Device ManageR** software license & installation note.

\$390

Axis 207MW Camera Bundle

AX-207MW-CAM

- Superior image quality using a progressive scan CMOS image sensor and advanced video processing.
- Supports 12 frames/second in 1.3 Megapixel resolution.
- Built-in motion and audio detection.
- Advanced alerting when sensors trip and snap shot photos sent with links to live video.
- Connects via Wireless IEEE802.11g and Ethernet.

INCLUDES: Axis 207MW Network Camera, mounting stand, built-in motion and audio sensors, built-in microphone, **Device ManageR** software license & installation note.

\$440
BEST SELLER

Axis 210 Camera Bundle

AX-210-CAM

- Superior image quality using a progressive scan CCD image sensor and advanced video processing.
- Supports 30 frames/second up to 640x480.
- Built-in motion detection.
- Advanced alerting when motion sensor trips and snap shot photos sent with links to live video.

INCLUDES: Axis 210 Network Camera, mounting stand, built-in motion sensor, **Device ManageR** software license & installation note.

\$620
BEST SELLER

Axis 216FD Camera Bundle

AX-216FD-CAM

- Superior image quality using a progressive scan CMOS image sensor and advanced video processing.
- Supports 30 frames/second up to 640x480.
- Built-in motion detection and two-way audio with advanced alerting when sensors trip and snap shot photos sent with links to live video.
- Tamper resistant and vandal resistant models available.

INCLUDES: Axis 216FD Network Camera, mounting stand, built-in motion and audio sensors, POE, **Device ManageR** software license & installation note.

\$640

Axis 211A Camera Bundle

AX-211A-CAM

- Superior image quality using a progressive scan CCD image sensor and advanced video processing.
- Varifocal DC-iris for indoor/outdoor use.
- Supports 30 frames/second up to 640x480.
- Built-in motion detection and two-way audio with advanced alerting when sensors trip and snap shot photos with links to live video.

INCLUDES: Axis 211A Network Camera, mounting stand, built-in motion and audio sensors, POE, **Device ManageR** software license & installation note.

\$640

Axis 212 PTZ Camera Bundle

AX-212PTZ-CAM

- Superior image quality using a progressive scan CMOS image sensor and advanced video processing.
- Supports 30 frames/second in 3.0 Megapixel resolution.
- Instant pan/tilt/zoom design with built-in motion and two-way audio detection with advanced alerting when sensors trip and snap shot photos sent with links to live video.

INCLUDES: Axis 212 PTZ Network Camera, mounting stand, built-in microphone, built-in motion and audio sensors, **Device ManageR** software license & installation note.

\$990

Axis 215 PTZ Camera Bundle

AX-215PTZ-CAM

- Superior image quality using a CCD image sensor and advanced video processing.
- Supports 30 frames/second at 4CIF:704x480.
- Instant pan/tilt/zoom design with auto iris, focus and flip.
- Built-in motion detection and two-way audio with advanced alerting when sensors trip and snap shot photos sent with links to live video.

INCLUDES: Axis 215 PTZ Network Camera, mounting stand, built-in motion and audio sensors, **Device ManageR** software license & installation note.

* AVTECH can sell any Axis Camera although recommends these as some of the most popular.
